CAPITAL VALUE OPINION FOR RESIDENTIAL APARTMENTS IN KANAKAPURA MAIN ROAD, BANGALORE

Attributes	Description
Location	Kanakapura main road (and locations of the road) is an active residential market in southern Bangalore. The location is approx. 3-4 km NICE Ring Road, 4-5 km from Outer Ring Road, 14-15 km from MG Road and 48-50 km from Kempegowda International Airport. Micro-market emerged owing to spillover demand from established locations such as JP Nagar, Jayanagar and Banashankari. Availability of land augmented by infrastructure initiatives (ORR, NICE Ring Road, under development metro connectivity) is expected to drive growth in this micro-market.
Profile of real estate developments	The subject micro-market is currently an emerging location in terms of real estate activity, characterized by high-rise residential apartment developments. The location comprises of requisite social infrastructure to compliment the present and upcoming residential developments. Residential developments in the subject micro market are witnessed to be medium to large scale projects and are mid to high-end in positioning.
Prominent developments in identified asset class	Some of the notable residential developments in the subject micro-market include Mantri Serenity (approx. 1,450 units in a phased manner), Nitesh Caesars Palace (498 units), Prestige Falcon City (2,500 units), Sobha Forest View (637 units in a phased manner), Golden Panorama (334), etc.

Opinion on base capital values for a premium apartment development by a Grade-A developer

- Quoted base capital values in the micro-market: INR 5,900 – 6,100 per sft
- Base capital values at which a transaction could be effected: INR 5,800 – 6,000 per sft

The above value opinion is based on review of comparable properties offering superior specifications and amenities. Further, we have also kept in cognizance the inventory offered, development status and competition prevalent in the subject micro-market. Charges towards floor rise, parking, club house, preferred location charges, statutory taxes would be applicable over and above the base values highlighted above.

SPECIAL ASSUMPTIONS

- The value opinion exercise is based on prevailing market dynamics as on the date of the appraisal and does not take into account any unforeseeable developments which could impact the same in the future
- As a part of this particular engagement, CBRE has not undertaken any assessment specific to the site or the project that the Client is marketing or might invest in. We have utilized the location information and the envisaged positioning of the asset class provided by the Client for the purpose of this study and our opinion is restricted strictly to the location/micro-market under consideration for the identified asset class.
- CBRE has independently reviewed the comparable developments in the subject micro-market to opine on the capital values
- The capital value opined is for an apartment development by a Grade-A developer, offering superior specifications and amenities (viz. entire house to have laminated wooden flooring, a health club with spa, yoga/ aerobics hall, jogging track, intercom facility, swimming pool, kids play area, sports facilities such as basketball, table tennis, etc.) that would be located along the main road within the subject micro-market. The capital values would differ if the development is located off the main road and if the development offers inferior specifications / amenities
- For the purpose of this value opinion exercise, we have assumed that the land parcel housing the asset class being marketed by the Client would have a clear title and is free from any encumbrances, disputes and claims. CBRE has not visited the site and has made no further enquiries with the relevant local authorities in this regard. CBRE does not certify the property as having a clear and marketable title
- No legal advice regarding the title and ownership of the property being marketed has been obtained for the purpose of this appraisal exercise
