CAPITAL VALUE OPINION FOR PLOTTED DEVELOPMENTS IN HOSKOTE SIDDLAGHATTA ROAD, BANGALORE

| Attributes | Description |
|--|---|
| Location | Hoskote Siddlaghatta Road (the subject micro-market) is along the SH35, towards the north-eastern periphery of Bangalore. It is located approx. 17-18 km from Hoskote town, 27-28 km from ITPL, 37-38 km from M.G. Road (CBD) and 40-41 km from Kempegowda International Airport. The subject location is in proximity to Hoskote town, which is considered as an emerging industrial destination and is evincing interests from various prominent Indian and multi-national companies. Further, the subject micro-market is in proximity to Whitefield, which is considered as one of the established suburbs of Bangalore and is recognized as a prominent IT/ ITeS hub of the city. The commercial IT/ ITeS office activity in Whitefield is well supported by significant residential, retail and hospitality activity. |
| Profile of real estate developments | The subject micro-market is currently in nascent stages of development in terms of real estate activity, characterized by residential plotted developments and large tracts of agricultural land, industrial companies and warehouses. Majority of the plotted developments located on Siddlaghatta road and Chintamani road are approx. 5 – 10 km from Hoskote town in proximity to Hoskote Industrial area. |
| Prominent developments in identified asset class | Some of the notable plotted developments in the subject micro-market include Aamby City (850 units), Aditya Grand (234 units), Anisha Palms (170 units), Artha Aspire (296 units), Artha Serene (170 units), Royal City (192 units), etc. |

Opinion on capital values for a residential plotted development

- Quoted base capital values in the micro-market: INR 1,600 – 1,750 per sft
- Base capital values at which a transaction could be effected: INR 1,500 – 1,600 per sft

Please Note: The above value opinion is based on review of comparable properties offering good specifications and amenities. Further, we have also kept in cognizance the inventory offered, development status and competition prevalent in the subject micro-market. Charges towards club house, corner premiums, statutory taxes would be applicable over and above the base values highlighted above.

SPECIAL ASSUMPTIONS

- The value opinion exercise is based on prevailing market dynamics as on the date of the appraisal and does not take into account any unforeseeable developments which could impact the same in the future
- As a part of this particular engagement, CBRE has not undertaken any assessment specific to the site or the project that the Client is marketing or might invest in. We have utilized the location information and the envisaged positioning of the asset class provided by the Client for the purpose of this study and our opinion is restricted strictly to the location/micro-market under consideration for the identified asset class.
- CBRE has independently reviewed the comparable developments in the subject micro-market to opine on the capital values
- The capital value opined is for a plotted development offering good specifications and amenities (viz. club house, swimming pool, health club & spa, kids play area, sports facilities such as squash, basketball, tennis & badminton court, etc.) that would be located along the main road within the subject micro-market. The capital values would differ if the development is located off the main road and if the development offers inferior specifications / amenities
- For the purpose of this value opinion exercise, we have assumed that the land parcel housing the asset class being marketed by the Client would have a clear title and is free from any encumbrances, disputes and claims. CBRE has not visited the site and has made no further enquiries with the relevant local authorities in this regard. CBRE does not certify the property as having a clear and marketable title
- No legal advice regarding the title and ownership of the property being marketed has been obtained for the purpose of this appraisal exercise
